Re: 2019-21 Community Corrections Plan

Dear Sir,

The Clatsop Board of Commissioners are pleased to support the 2019-21 Community Corrections Plan as submitted by our Local Public Safety Coordinating Council. We reviewed and voted to approve the plan at our BOC meeting on January 22, 2020.

On behalf of the Clatsop County Board of Commissioners, thank you and your staff for their continued support of our local community corrections programs.

Sincerely,

Clatsop County Board of Commissioners
800 Exchange Street, Suite 410
Astoria, OR 97103

Dear Commissioners,

Every two years the Parole & Probation Division of the Clatsop County Sheriff's Office develops and submits a Community Corrections Plan to the Oregon Department of Corrections detailing the actual programs for adult felony offenders available for use by the county. This Biennial Plan sets forth our programs, objectives, evaluation methods and budgeting resources. Prior to its submission, the Biennial Plan must be approved by the Local Public Safety Coordinating Council (LPSCC) and presented to the county governing board, the Board of Commissioners, for review and approval.

Our Local Public Safety Coordinating Council convened on December 6, 2019 and reviewed the 2017-2019 Community Corrections Biennial Plan as prepared and presented by Lieutenant Kristen Hanthorn. The LPSCC members voted to recommend the Board approval of the Biennial Plan as required by ORS 423.560 (3)(a)(A).

We strongly appreciate the work and dedication of the staff of the Parole & Probation Division of the Sheriff's Office and fully support the 2017-19 Community Corrections Biennial Plan.

Please do not hesitate to contact me if you have any questions or concerns.

Sincerely,

Cindee S. Matyas
Circuit Court Judge
Chair, Public Safety Coordinating Council

Program Name:	Community Supervision	8
Program Category:	Supervision	
Program Description:	<p>Community Supervision</p> <p>This program provides supervision to parole, post-prison, probation and conditional discharge offenders residing in Clatsop County. Supervision includes, but is not limited to, assessment of offender risk, referrals to treatment and cognitive programming, office contacts, residence checks, GPS monitoring, monitoring and collection of court-ordered financial obligations, imposition of structured sanctions, Pre-Sentence Investigation Reports, monitoring for substance abuse, and the coordination of community service requirements.</p> <p>Clatsop County Family Drug Court</p> <p>Family Drug Court is a voluntary program for parents with substance abuse issues who have children in the custody of the Department of Human Services. The Clatsop County Sheriff's Office Parole and Probation Division sits as a community partner on the team comprised of the Judge, representatives from the District Attorney's office, CASA, Clatsop Behavioral Healthcare, The Department of Human Services, a citizen volunteer and the parent's attorney. Family Drug Court utilizes a strengths-based approach to education and modify behavior. Participants are staffed by the team prior to their appearance in Court on a regular basis. Participants advance through a level system, with positive reinforcements for appropriate behavior and achievement of assigned goals. Each level requires abstinence from substance abuse and participation in a myriad of selected services designed to meet the needs of the offender. Participants work toward graduation of the program and reunification of their families.</p> <p>Sex Offender Supervision</p> <p>This program enhances community safety through the effective management of sex offenders. A Parole and Probation Officer with specialized sex offender training is assigned to supervise known sex offenders under supervision in Clatsop County. The sex offender supervision specialist is responsible for the assessment of all sex offenders using the Static-99 and the Stable/Acute Risk Assessments. Supervision includes referrals to treatment, participating in treatment programming, monitoring treatment progress, collecting DNA samples, performing community notifications, scheduling polygraph examinations, conducting home and office contacts, and other duties related to caseload management. The sex offender supervision specialist represents Clatsop County at the statewide Sex Offender Supervision Network meetings. Sex offenders who have successfully completed treatment, passed a full disclosure polygraph and have had no known significant violations may be eligible to be supervised on the low level supervision caseload; sex offenders are not eligible for limited level supervision.</p> <p>Adult Drug Court</p> <p>Adult Drug Court is designed to provide options for offenders charged with crimes which qualify for conditional discharge or felony diversion, as well as high risk drug/alcohol affected offenders requiring intensive supervision, including the opportunity to enter a structured and cooperative process to promote habilitation through an enhanced supervision and treatment process. Offenders participating in the program will be placed under intensive supervision to ensure compliance with conditions of supervision, and adherence to treatment conditions.</p> <p>Mental Health Treatment Court</p> <p>The Clatsop County Mental Health Treatment court seeks to reward and reinforce positive pro-social behaviors and suppress anti-social behaviors through the appropriate use of intensive supervision, treatment services, and immediate sanctions. The objective of the Treatment Court is to reduce recidivism among adult probation, post-prison, and pre-</p>	

	<p>adjudicated offenders with a present mental disorder or co-occurring disorders. 9</p> <p>Justice Reinvestment Intensive Supervision</p> <p>The JRI program provides intensive supervision and services to offenders who are high/medium risk and have a downward departure sentence. Offenders are prioritized for housing, treatment, and subsidy services. The goal of the JRI Program is to provide wrap around services to help stabilize the offender in the community and use evidence based programming to effect behavior change.</p> <p>Misdemeanor Supervision</p> <p>The population will consist of offenders deemed by the Clatsop County Circuit Court as warranting formal supervision. Clatsop County will also accept misdemeanor offenders from other Counties on a case by case basis, based on crime of conviction and risk level. Clatsop County will also supervise PCS Misdemeanors. Misdemeanor offenders will receive the level of supervision dictated by approved, evidence-based risk assessment tools.</p>
Program Objectives:	<p>1. Serve the community by enhancing public safety through the reformation offenders and the reduction of criminal behavior.</p> <p>2. Identify offender risk/needs to develop effective case planning.</p> <p>3. Utilize evidence-based programs and community partnerships.</p>
Method(s) of Evaluation:	Regular case load audits performed by Administration.

Program Name:	Cognitive Rehabilitative Programming	11
Program Category:	Other Programs	
Program Description:	<p>Domestic Violence Treatment</p> <p>Offenders are designated by the releasing authority to be evaluated for criminal violence to assess appropriateness for a Batterer's Intervention Program. Program standards conform with standards set by Oregon Administrative Rules. Male batterers who are involved in intimate partner violence are additionally assessed using the Ontario Domestic Assault Risk Assessment tool (ODARA). Contracted service providers educate participants in the causes, types, and effects of battering behavior. Confrontation strategies are used to encourage participants to challenge and change their beliefs and behaviors. Polygraph examinations are utilized to monitor compliance with no contact provisions and conditions of supervision. The supervising officer provides a point of contact with victims for referrals to appropriate support agencies, as well as reunification with offenders, as deemed appropriate.</p> <p>Cognitive Behavioral Therapy</p> <p>Evidence-based cognitive behavioral programs are facilitated by both specially trained Parole & Probation Officers and Contracted Service Providers. Cognitive Behavioral Therapy (CBT) programs have the goal of fostering an environment that moves offenders towards change. These programs are available to all supervised offenders by primarily focus on high and medium risk offenders. Participants will be screened prior to entering the program by the supervising officer and again by the program facilitators to ensure appropriateness based upon level of risk, the criminogenic need to be addressed, and the stage of change. Clatsop County Parole & Probation staff facilitate MRT and Courage to Change groups.</p> <p>Jail CBT Group</p> <p>Clatsop County Parole & Probation partner's with Choices Counseling, LLC to provide reach in services to offenders/inmates who are in custody at Clatsop County Jail. Choices Counseling provides an Addictions Counselor who meets with both male/female inmates, in gender specific group settings, once a week. The Addictions Counselor identifies inmates who may be appropriate for specialized programs (Adult Drug Court/Family Drug Court/Mental Health Treatment Court) and/or those needing residential treatment.</p>	
Program Objectives:	<ol style="list-style-type: none"> 1. At least five cognitive behavioral programs will be facilitated annually. 2. All participants will be screened to ensure appropriateness based on level of risk, criminogenic need to be addressed, and stage of change. 3. 50% of offenders participating in cognitive-based programs will successfully complete the series. 4. Low risk offenders will be treated separately than medium/high risk offenders.

Program Name:	Clatsop County Mental Health Treatment Court	13
Program Category:	Mental Health Services	
Program Description:	The Clatsop County Treatment court seeks to reward and reinforce positive pro-social behaviors and suppress anti-social behaviors through the appropriate use of intensive supervision, treatment services, and immediate sanctions. The Clatsop County Treatment Court is a program with the goal of increasing access to and engagement in mental health and substance abuse treatment for eligible persons with a mental disorder, disability or condition who are residents of Clatsop County and are charged with or convicted of certain eligible criminal offenses. The objective of the Treatment Court is to reduce recidivism among adult probation, post prison, and pre-adjudicated offenders with a present mental disorder and or co-occurring disorders. The program is meant to decrease the likelihood of offenders committing new crimes by addressing antisocial/pro-criminal attitudes, values, belief systems, pro-criminal associations, temperament, and personality factors in evidence-based treatment. The program is also intended to stabilize offenders in the community through effective case management.	
Program Objectives:	1. Random urinalysis samples will be collected on all offenders participating in Treatment Court. 2. Treatment Court participants will be referred to mental health services within 30 days. 3. 70% of Treatment Court participants will successfully complete the program or maintain involvement in mental health treatment services.

Program Name:	Sex Offender Programs	15
Program Category:	Sex Offender Services	
Program Description:	<p>Sex Offender Treatment</p> <p>Offenders are assigned by the releasing authority to enter and complete sexual offender treatment. Contracted specialists provide individual and group therapy and updated techniques to address the offender's thinking errors and aberrant behavior related to their sexual offending cycle as well as providing instruction activities to promote pro-social thinking and behavior. Offenders will be assessed using current validated risk tools to determine level of supervision. Treatment and supervision strategies are then put in place to reduce the risk of sexual recidivism. Sex offenders attend weekly or bi-weekly meetings. The length of time in treatment varies based on offender's risk to the community, and their compliance with treatment and other conditions of supervision.</p> <p>Psychosexual evaluations</p> <p>Psychosexual evaluations are designed to identify the offenders level of risk for sexual and non-sexual recidivism; types and intensity of interventions that will be most beneficial; specific dynamic risk factors or criminogenic needs to be targeted through interventions; whether or not offender is amenable to interventions; responsivity factors that may impact engagement in and response to interventions; and strengths and protective factors related to the individual, as well as those that exist within family, peer, and other community support systems. Clatsop County will financially subsidize psychosexual evaluations for offenders on a case by case basis.</p> <p>Polygraph Examinations</p> <p>Polygraph examinations are conducted by a contracted polygraph examiner, specially trained and certified to perform this task. Polygraphs are used as a means of supervising sex offenders to deter illegal acts, provide early detection of prohibited conduct, and as a tool in sex offender treatment programming. Polygraphs are given every six months for maintenance compliance. Specific issue polygraphs are also given when there is suspected prohibited activity. Polygraphs examinations may also be used as a supervision tool for individuals convicted of other offenses within the capacity limits of the program.</p>	
Program Objectives:	<p>1. Serve the community by enhancing public safety through the reformation of offenders and the reduction of criminal behavior.</p> <p>2. All eligible sex offenders will be referred and enter treatment within 60 days.</p> <p>3. All eligible sex offenders who are currently engaged in sex offender treatment will undergo a polygraph examination every 6 months. Offenders who have completed treatment will submit to a yearly maintenance polygraph examination.</p>

Program Name:	Transition Services	19
Program Category:	Transition Services	
Program Description:	<p>Transitional Services/County and DOC Pre-Release Planning</p> <p>The Transition Program is designed to enhance public safety through effective transistioning of offenders from state and local custody to the community. Staff will identify all offenders incarcerated in Oregon Department of Corrections institutions who are scheduled to be released to Clatsop County on Parole or Post-Prison Supervision. Prior to physical release, advance coordination and release planning will be conducted. Clatsop County will provide short-term financial assistance to ensure smooth transition from custody to community. This program may provide assistance to offenders with many reentry needs such as housing, treatment, identification, bus passes, medications, hygiene items and clothing. Inmate Welfare Subsidy dollars can only be used by offenders that have releasaded from a DOC institution. The Transition Officer is responsible for identifying all persons incarcerated in Oregon Department of Corrections institutions who are scheduled to be released to Clatsop County on parole or post-prison supervision. The Transition Officer is also responsible for establishing release plans for all Senate Bill 1145 (Local Control) offenders incarcerated in the Clatsop County Jail. The Transition Officer tracks time served, statutory good time accrual, custody units served and release dates. The Transition Program also assures that all statutory notifications are met, such as notifications to the Sheriff, District Attorney, Courts, and victims.</p>	
Program Objectives:	<p>1. At least 90% of eligible offenders scheduled to be released to Clatsop County will be contacted within 6 months prior to their scheduled release.</p> <p>2. 100% of indigent homeless offenders being released from long term custody will be considered for subsidy assistance for transitional housing if they are not eligible for other indigent community housing services.</p> <p>4. Placement of transitional offenders in stable and appropriate housing; increase supervision compliance; increase ability to locate offenders; increase public safety; reduce recidivism.</p>

Program Name:	Electronic Monitoring/SCRAM	26
Program Category:	Community-Based Custodial Alternatives	
Program Description:	This program will utilize GPS enabled electronic monitoring and SCRAM alcohol monitors as an alternative to jail sanctions when appropriate. This program is an alternative to jail for all risk offenders, reserving jail space for more serious offenders. Participants may be placed on electronic monitoring (EM) at the Probation Office or transferred to EM from the Clatsop County Jail as an alternative incarceration. The supervising officer will monitor compliance and will provide releasing authority with notification of successful/unsuccessful completion. The program also utilizes SCRAM Systems Alcohol Monitoring equipment for offenders with alcohol dependence/addiction.	
Program Objectives:	1. Enhance public safety by closely monitoring those offenders qualified to participate in the program. 2. Through the use of GPS tracking and transdermal alcohol monitoring, improve the detection of violations related to the offender's conditions of supervision. Clatsop County will take immediate and appropriate actions with regards to violations. 3. Provide Clatsop Circuit Courts an alternative to the imposition of jail sanction at sentencing. Clatsop County Parole and Probation will provide electronic monitoring service to Clatsop Circuit Courts on as needed/requested basis providing all fees are paid in advance.
