

Committees

As the lead emergency management agency in the county, CCEM oversees a number of related committees. To learn more about each, simply click on the committee name:

[Ambulance Service Area Advisory Committee \(ASAA\)](#). The Ambulance Service Area Advisory Committee provides advice and recommendations to the Board of Commissioners regarding provisions of the Ambulance Service Ordinance and the Ambulance Service Area Plan.

- [Ambulance Service Area Plan \(ASA\)](#)

Clatsop County Fire Defense Board. The local fire defense board is coordinated by Astoria Fire Department.

[Local Emergency Preparedness Committee \(LEPC\)](#). The Local Emergency Planning Committee (LEPC) is a federally mandated entity composed of state and local officials, business representatives, and other community partners. Under the Emergency Planning and Community Right-to-Know Act (EPCRA), LEPCs must develop an emergency response plan, review the plan at least annually, and provide information about chemicals in the community to citizens.

- [Oregon State Fire Marshal LEPC Information](#)

[Natural Hazards Mitigation Steering Committee \(NHMP\)](#). Natural hazard mitigation is defined as permanently reducing or alleviating the losses of life, property and injuries resulting from natural hazards through long and short-term strategies. The NHMP Steering Committee oversees the hazard mitigation planning process in Clatsop County.
