

Administration

The administrative staff provides administrative services for Road Maintenance, County Engineer, County Surveyor and Parks. We plan and administer the budget and contracts for the department and represent Clatsop County on federal, state and local transportation issues. We also perform the administration for the Westport Sewer Service District. We provide budgeting, finance, payroll, purchasing and contracting services for all the Public Works areas, including Surveyor, Parks, Westport Sewer District and Fisheries.

Our Administrative Staff include:

Interim Public Works Director County Engineer County Surveyor Fisheries & Parks

Terry Hendryx Dean Keranen Vance Swenson Steve Meshke
