

County Roads Policies

The following policies were adopted by the Clatsop County Board of Commissioners to standardize procedures relating to County Roads. These policies can be printed and viewed in PDF format.

Acceptance of Public Roads into the County Road System - Procedures and requirements for acceptance of dedicated public roads for conversion to County Road status.

Improvements in Road Right-of-Way - Procedures and requirements for improvements that are inside a County Road right-of-way.

Oiling County Roads - Requirements for a rocked road to be considered for oiling.

Road Vacations - Guidelines and procedures for conducting a road vacation process.

Withdrawal of County Roads - Procedures used to withdraw a County Road from County Road status.
