

# Citizen Councils, Commissions & Committees

## **Have a direct voice in decisions - join a citizen advisory committee!**

Our citizen committees play important roles in advising the Board of County Commissioners and county departments on a variety of issues. Committee members are volunteers appointed by the county commissioners.

Serving on a citizen advisory committee is a great way to participate in decisions that affect you and to learn more about how your local government works.

### **Ambulance Service Area Advisory Committee**

The Ambulance Service Area Advisory (ASAA) Committee is responsible for maintaining a high standard of quality emergency medical service in Clatsop County by updating/maintaining the ASAA plan, overseeing the ambulance franchise agreement, and serving as an advisory body on matters regarding emergency medical services, pre-hospital care consumers, and the medical community.

### **Board of Property Tax Appeals**

The Board of Property Tax Appeals hears petitions for reduction of the real market or assessed values of property as of July 1 and considers applications to excuse liability for the penalty imposed under ORS 308.295. The Board also reviews the Assessor's Certified Ratio Study for the current year and makes recommendations to the Assessor regarding that study. The Board makes recommendations to the Assessor regarding changes in current year property value

resulting from the effect of events or activities occurring outside property.

The Board also hears appeals of the prior year's value based on declines that occurred after July 1 and on or before June 30 of the previous tax year.
